Château Roc Meynard **AOC Bordeaux Blanc 2013**

15.5 (85) Recommended

www.vignobleshermouet.com

The château is located in the Fronsac region, near the village of Villegouge on the Right Bank of the Dordogne. Lovely light reflective pale straw colour, light intensity and fresh, crisp nose, gently flirting. Good lift, good aromatics, good Bordeaux typicity from winemaker Philippe Hermouet. Blend is 50% Sauvignon Blanc and 50% Semillon, from young vines planted in 2010, vinified in stainless steel with four months on the lees before bottling. **Drink** 2014-2017.

Château Roc Meynard **AOC Bordeaux Superieur 2012**

16.5 (88) Recommended

www.vignobleshermouet.com

95% Merlot and 5% Cabernet Sauvignon.

Appealing, promising fruit on the nose here, this is a good wine, rich, deep layers, good complexity, with flavours that hold on for a good few minutes in the mouth. Winemaker Philippe Hermouet runs this 29 hectare property which is located near to Fronsac on the Right Bank of Bordeaux. The combination of fruit, acidity and tannic hold suggests it could improve over next few years. **Drink** 2015-2023. ➤
